LAKE HELEN, FLORIDA, NOVEMBER 29, 1906.

MRS. IRENE G. ADAMS, Editor.

WEDDING BELLS.

Two Young People Unite for Battle of Life.

On Thursday evening, Nov. 22, a very pretty home wedding was solemnized at the residence of Mrs. L. H. Bedell, when her daughter, Esther L. Race, was united in marriage to Claude H. Pelton. Miss Corinne Pelton, sister of the groom, was bridesmaid, and Mr. Merton H. Weaver, cousin of the groom, was best man. Mrs. Mason Noble presided at the piano.

The double parlors were beautifully decorated with roses, chrysanthemums, ferns, magnolia and bamboo, and looked, as one of those present expressed it, like a veritable fairyland.

At 8:30, to the soft strains of Lohengren's Wedding March, the bridal party entered, by opposite doors, meeting in front of a bank of ferns which formed a beautiful background for the solemn scene. The impressive ring service was used, the Rev. Mason Noble officiating.

The bride was beautiful in pure white, and carried a bouquet of exquisite Bridal Roses.

The bridesmaid was attired in blue and white, and carried a handsome bouquet of yellow chrysanthemums.

A bountiful collation was served, to which the guests did ample justice.

There was a fine display of presents, conspicuous among them being a Jacob's piano, which the bridegroom presented to his bride.

The bride is an attractive young lady, who by her sweet dignity and charming personality has won many friends during her two years' residence in Lake Helen.

The groom is too well known in Lake Helen to need any comments, having grown from young boyhood to noble young manhood in this place, where he is respected, honored and loved by all.

Only the immediate relatives of the contracting parties were present.

Music and merriment furnished a most enjoyable evening, and the guests departed, after wishing the happy couple all the pleasures and as few of the sorrows of life as the Good Father sees best for them.

On account of Mr. Pelton finding it impossible at present to spare time from his business for a wedding journey, the young couple are mutually satisfied with the prospect of that pleasure in reserve for the near future. They will be at home at the Wright cottage after Dec. 1st.

A Linen Shower.

"Mr. and Mrs. A. D. Clarkson request the pleasure of your company at a linen shower for Mrs. Claude Pelton, Wednesday evening, Nov. 28, at 8 o'clock." This invitation gathered all of the young people of the city at the pleasant Clarkson home, where many gifts were brought for the bride, delicious refreshments enjoyed, and a jolly evening was spent.

Sells More of Chamberlain's Cough Remedy than All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by all Druggists.

A. H. Pelton supplies the camp store again this season and Mrs. Wheeler, a camp dweller, sells the goods.

Mrs. Ada G. Barker arrived from Cresco, Iowa, Friday evening, and will be the guest, three weeks, of her mother Mrs. Adams. Twenty years ago as Miss Galloway she spent a winter in Volusia county.

Mr. E. G. Blake is beautifying his handsome residence with new paint. Wood & Son, of DeLand, are doing the work.

Percy Hazel has been supplying several stations on the East Coast Railway, during the vacation of agents and is now stationed at Orange City.

Mr. and Mrs. White, uncle of Dr. Kendig, are entertained at the Davenport boarding house.

Mrs. John McGill is the new lady clerk at the Supply Company store.

Mr. and Mrs. Armstrong and daughter have found a home in the rooms recently vacated by Percy Sloggy.

The Burkes are drilling a deep well at their new home. Haven, of DeLand, is doing the work. A new fence around the premises, and green paint spread by Weaver make an artistic corner.

Mrs. Preston writes that they will sail for Porto Rico December 1st. She has not been well the past summer and says that she longs for the balmy air and lovely scenery of their inland winter home since the cold weather has swept New England.

J. W. Todd has the finest pine-apples in town, and has them protected to defy frost with canvass windows that may be removed easily, and a canvass roof. Now that the old time frostless winters have returned, the people of this county may revel in home grown bananas and pines once more as they did thirty years ago.

Mrs. Kelsey has returned from Ohio. She adopted while there an orphan boy, 14 years of age, who came with her.

On December 7th the ladies of the Congregational church will hold their annual sale and supper at Library hall. These ladies always furnish suppers that attract guests from far and near.

Postmaster Robbed.

G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 30 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for eleven years." Sure cure for Biliousness, Neuralgia, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful Tonic. At all Drug stores, 50 cents.

Reception.

Tuesday evening Mr. and Mrs. A. H. Pelton gave a reception to their son Claude and his bride at Library Hall. One hundred ten invitations were issued and more than one hundred persons were present. Mrs. Bedell and Mr. and Mrs. Pelton received their guests at the entrance, the groom and bride, and the bridesmaids and best man greeted them under an archway of green vines and white roses across the opposite corner of the room. The stage was a bower of roses banked in green, with a background of bunting and palms. Bushnell's fine orchestra discoursed its sweetest music, half hidden by the floral beauty.

The greetings over, the bridal pair led almost the entire company in the grand march, which was followed by several quadrilles and round dances.

Delicious cakes, ice cream and frappe were served, and young and old tripped time to the inspiring strains till a late hour. Everyone wore smiles in harmony with the spirit of happiness that pervaded the entire company. Mr. and Mrs. Pelton proved themselves adepts as entertainers, and the newly wedded share the confidence and love of every citizen.

Appreciate The News.

If the citizens of Lake Helen do really appreciate the courtesy of the editor of THE DELAND NEWS (which implies a financial basis) in printing a Lake Helen page, and if they appreciate the efforts of the local editor in reporting such news as can be obtained of the doings of the people here, there is only one way to demonstrate their appreciation, i. e., by leaving their subscription to THE NEWS with the editor of the Lake Helen page. This town is too important never to appear in print. Its beauty, its advantages, its resources and people are worthy a prominent place before the readers of every periodical. THE NEWS has done its share in accomplishing this feat. Now will the residents show, in the only practical manner, they are glad to have it known that Lake Helen is on the map?

Thanksgiving Services.

Thanksgiving services were held in the Congregational church at 7 p. m. Rev. Edmund Welles delivered a sermon in harmony with the occasion to an appreciative audience. It is well to pause at least once a year and count one's blessings, and be thankful for them. Perhaps by the time another Thanksgiving proclamation is issued many of the trials that oppress us and the sorrows that grieve us will have turned their "silver lining" to view and proven that they too are blessings. In the development of character, moral courage, intellect, and spiritual insight and insight nothing is of more real worth than the patiently borne, inevitable hardships and disappointments of life.

How to Remove Fish Odors.

The smell of fish that is so hard to remove from pans and plates by washing or soaking will yield to lemon skin rubbed over them. This will kill the flavor of even salt mackerel and salmon in a bakepan. After rubbing with the lemon let the dish stand for a little, then wash in cold water and rinse with hot.

talking. You can't beat Herbine for the liver. The greatest regulator ever offered to suffering humanity. If you suffer from liver complaint, if you are bilious and fretful, if your liver, and Herbine will put it in its proper condition. A positive cure for Constipation, Biliousness, Dyspepsia and all ills due to a torpid liver. Try a bottle and you will never use anything else. Sold by all Druggists.

Homemade Cough Candy.

An excellent cough candy is made of slippery elm, flaxseed and sugar. Soak a gill of whole flaxseed in a cupful of boiling water. In another cup put broken bits of slippery elm bark until it is full. Cover this also with half a pint of boiling water and let it stand for two hours. Strain the flaxseed and slippery elm through a thin cloth and save the liquid. Add a pound and a half of granulated sugar to it. Boil this sirup for ten minutes. Add juice of lemons and boil until it forms candy. Test it from time to time by dropping a little in cold water. The moment it is done pour it on white paper, spread on biscuit tins and let it harden. As soon as it begins to cool, before it hardens, crease it with a knife so that it may easily be broken into lozenge-shaped candies.
